APPLICATIONS

The application fac-simile for admission to the competitive examinations is available at the University Website: www.uniba.it:

“Magnifico Rettore dell’Università degli Studi di Bari, Dipartimento per la Formazione Post-Laurea e gli Esami di Stato Professionali - Area Dottorato di ricerca e Post dottorato - Settore I – Dottorato di ricerca - Piazza Umberto I, n.1 - 70121 BARI, Italy, and delivered - under penalty of exclusion from the examination – by and not later than December 15, 2008, according to one of the following procedures:

- a) Personal delivery to “Area Dottorato di ricerca e Post Dottorato – Settore I – Secondo piano, Palazzo Ateneo, Piazza Umberto I, n.1, 70121 Bari, Italy” on the following days and times:
Monday, Tuesday, Wednesday, 10.00-12.00 and 15.00 - 17.00; and Thursday, Friday 10.00-12.00.
- b) By mail (express post, express courier or equivalent means). In such case, the following must be written on the envelope containing the application:

“CONCORSO DI DOTTORATO DI RICERCA XXIV CICLO – DOTTORATO IN MATEMATICA - INOLTRO URGENTE AREA DOTTORATO DI RICERCA E POST DOTTORATO.”

Foreign candidates may send the application for admission also by one of the following means:

- **By fax to: +39 0805714430**

In the case of mailing, the University Administration does not take responsibility for applications that arrive at the aforementioned office beyond above-mentioned deadline. Applications arriving after December 15 2008 will not be accepted even if mailed hitherto, hence the date of franking by post office will be not taken into account, but only the date of receipt by the University.

In his/her application the candidate shall declare clearly and accurately under his/her responsibility:

- a) His/her last name, first name, date and place of birth, nationality, fiscal code, place of residence and domicile elected for the purposes of the candidate's participation in the competitive examination, as well as postal code, telephone number and e-mail, if any.
- b) the name of the Research Doctorate Programme in “Matematica” he/she wants to attend.

The candidates must attach to the application form the following documents:

- 1) Degree certificate showing a list of exams taken and grades achieved;
- 2) Curriculum vitae of the scientific and teaching activities written in English indicating university qualifications held;
- 3) Any further academic title and information that should be taken into account (scientific publications, if any; grants that the candidate might have been awarded by Italian, foreign or international bodies to attend a Ph.D. Degree course or to carry out study and research activities, indicating the starting date, the duration and the amount; attested attendance of post-graduate courses and post-graduate degrees; awards and other scientific/academic titles).
- 4) A summary of the final thesis in English, in a minimum of three and maximum of six pages organised under the following headings: subject of the thesis, research methodology, results obtained;
- 5) The indication of his/her areas of specific research interest (Statement of Research Interest);
- 6) At least two letters of presentation written by professors of the institutions in which the candidate has been training/working;

Moreover, candidates must demonstrate a good knowledge of English.

The list of the candidates admitted for the reserved position will be published on the University Website www.uniba.it, during the month of January 2009.

The Board of Examiners is the same nominated for the non reserved comparative competitions relative to the Doctorate in “Matematica”

The election committee has the capacity to assign scores up to a total of 60 points in the evaluation of candidate qualifications. Once the qualifications have been assessed, the Committee will formulate a merit-based ranking of candidates based on the scores awarded. In the case of parity in marks between two or more candidates, precedence is given to the youngest candidate. If any of the candidates admitted withdraws from the Doctorate Programme before the start, the next candidate(s) in the ranking shall take their place.

Should the reserved position remain vacant, it shall be used to increase the number of non-reserved positions.
